Peñalver Clinic Announces the New Elected Executive Board of Trustees

(Miami, FL) February 8th, 2017. Consistent with the strong governance of any effective non-profit organization, the Board of Trustees of Dr. Rafael A. Penalver Clinic is comprised of talented and dedicated men and women who take their stewardship of our center very seriously. At our Annual meeting this year, the Board elected among it is members to serve as Executive Cabinet and Corporate Officers for the term of Jan-Dec, 2017.

The Peñalver Clinic is proud to announce the new elected Executive Board for the fiscal year 2017. Election occurred during the scheduled meeting this past January 26th, 2017.

The new Executive Cabinet goes as follow:

- Mr. Eloy Villasuso, Chairperson
- Mr. Alfred Andreu, Vice-Chair
- Mr. Armando Sancho-Rafi, Treasurer
- Mr. Alberto Herrera, Secretary

The Clinic's services and impact in the community is vital to the County safety net, providing access to primary and specialty care to community residents with affordability, dignity and respect. The level of dedication and commitment displayed by members of the Board of Trustees is commendable, and we all should be proud of their services. The Clinic is a non-profit Florida corporation, tax exempt under Section 501c (3). Inaugurated on April 28, 1996, the Clinic looks forward to its future opportunities with great confidence as our partnership with the Jackson Health System takes strong roots. Mr. Boris Alvarez, Executive Director of the Clinic states, "We will continue to work diligently toward meeting the needs of our community, while preserving the Clinic's Mission."
